### Official Form 122C-1

# Chapter 13 Statement of Your Current Monthly Income and Calculation of Commitment Period

10/19

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

| Part | 13 Calculate Your Average Monthly Income  |                           |                      |                                    |                        |               |   |
|------|---|---------------------------|----------------------|------------------------------------|------------------------|---------------|---|
| 1.   | 1. What is your marital and filing status? Check one only,  |                           |                      |                                    |                        |               |   |
|      | Not married. Fill out Çolumn A, lines 2-11.   |                           |                      |                                    |                        |               |   |
|      | ☐ Married. Fill out both Çolumns A and B, lines 2-11.   |                           |                      |                                    |                        |               |   |
| 10   | I in the average monthly income that you received from all 1(10A). For example, if you are filing on September 15, the 6-ne 6 months, add the income for all 6 months and divide the total ouses own the same rental property, put the income from that | nonth perio               | d would<br>n the res | be March 1 throught Do not include | ign Augu<br>le anv ind | come amount m | ore than once.
